Rewarding Our Partners

STARBUCKS®

Opportunity

To make your own path and succeed.

If you want the opportunity to make meaningful connections and have an impact every day, become a partner and work someplace truly great. A place that values individuals and their contributions, and balances good business practices with a passion to improve our world.

Starbucks simply could not succeed without the passion and determination of our partners. And we believe that success is best when shared.

Partners enjoy excellent benefits and share in our financial success through our signature programs that we proudly offer to part-time and full-time partners, including:

- Comprehensive health coverage (medical, dental and vision).
- A highly competitive 401(k) program with company match.
- A stock equity reward program – in fact, Starbucks continues to be one of the only retailers to offer a stock program that includes part-time retail hourly partners.

It doesn't stop there. Partners are offered education benefits, tuition assistance and free coffee, opportunities to connect around similar interests, paid vacation, and more.

Benefits

Benefits

Starbucks prides itself on our partners. We offer partners working full-time or part-time comprehensive benefits, including health coverage (medical, dental and vision). Along with health coverage, your benefit options at Starbucks include life insurance, disability coverage, vacation, tuition reimbursement, employee assistance, commuter benefits, adoption assistance and more.

Initial Benefits Eligibility

You become eligible for benefits on the first day of the second month after you receive pay for at least 160 hours over a two-consecutive month period (if you work in the U.S. Mainland). For example, if you receive paychecks in July and August totaling at least 160 paid hours, verified September 1, you become eligible for benefits October 1. Starbucks monitors your paid hours on the last Friday of every month until you become eligible.

Ongoing Benefits Eligibility

To continue eligibility, you must be paid for a minimum of 240 hours between the first and last days in each calendar quarter. Partners working in Hawaii become and remain eligible for benefits in accordance with Hawaii state regulations.

Enrollment

Once you become eligible for benefits, an enrollment kit is mailed to your home address. Then you have about two weeks to read through the benefits information and enroll online at mysbuxben.com or by speaking with a Starbucks Benefits Center representative. Partners may cover themselves and their eligible dependents, including children, spouse and same- or opposite-sex domestic partner.

Medical

Our medical plans include coverage for hospitalization, office visits, lab and x-rays, emergency care, prescription drugs, and mental health and chemical dependency treatment. Coverage of alternative care treatments, such as acupuncture, chiropractic care and homeopathic care, is included in some of the plans. Availability of these plans is based on where a partner lives and the proximity of health care providers in each plan's network. The Routine Care PPO and Your Care PPO plans are administered by Premera Blue Cross and are available to all eligible partners living in the United States (except for Hawaii). California partners have an additional option of enrolling in the Kaiser California HMO plan. Partners in Hawaii can enroll in the HMSA Preferred Provider Plan or Kaiser Hawaii.

Dental

Administered through Premera Blue Cross, our plan covers preventive, basic and major services, as well as orthodontia.

Benefits (continued)

Vision

This plan covers eye exams, lenses, frames and contacts. Care is offered through a national network of eye care professionals managed by Vision Services Plan (VSP).

Reimbursement Accounts

Benefits eligible retail salaried and non-retail partners may participate in health care and dependent care reimbursement accounts. With these accounts, partners set aside pretax payroll deductions to pay for qualifying health and dependent care expenses.

Dependent Care Reimbursement Account (DCRA) allows annual contributions of up to \$2,500 (if married and filing separate tax return) or \$5,000 (if single, or married and filing joint tax return) to pay for qualifying dependent day care expenses.

Health Care Reimbursement Account (HCRA) allows contributions of \$100 to \$5,000 each year to pay for qualifying out-of-pocket health care costs.

Life Insurance

Starbucks provides basic life insurance coverage for benefits-eligible retail salaried and non-retail partners equal to one times annual base pay. Supplemental coverage, up to four times base pay (subject to plan maximums), may be purchased through automatic payroll deductions. Retail hourly partners may purchase life insurance in flat dollar amounts of \$10,000, \$25,000 and \$50,000. Partners may also purchase life insurance coverage at competitive group rates for their spouse or domestic partner and dependent children.

Disability

Our disability plan coverage provides partial replacement of lost wages when a partner is unable to work due to an illness or injury.

Short-term disability (STD) provides partners with continued partial income for up to 26 weeks if they are unable to work due to a non-occupational total medical disability. Benefits start after a short waiting period. (Partners working in Hawaii are eligible for Temporary Disability Insurance in lieu of short-term disability.)

Long-term disability (LTD) provides partial income replacement after short-term disability ends. Retail salaried and non-retail partners receive this coverage automatically, with Starbucks paying 100% of the premium. Retail hourly partners may purchase LTD insurance.

Accidental Death & Dismemberment (AD&D)

This coverage is available for all benefits-eligible partners.

Employee Assistance Program (EAP)

This program provides short-term counseling for stress-related issues, emotional difficulties, critical incidents in the workplace and other personal concerns, including financial, legal and daily living (a resource on child care, elder care, school information and more). EAP services are available to all U.S. partners and their eligible dependents regardless of benefits eligibility.

Savings, Stock and Equity Reward Plans

Savings

Future Roast 401(k) Savings Plan

Starbucks 401(k) plan is an easy way to grow your savings through pretax payroll deductions. U.S. partners age 18 or older with 90 days of service are generally eligible to participate in Future Roast 401(k). Shortly before you become eligible, enrollment information containing plan details and instructions is mailed to your home address.

Eligible partners may contribute from 1% to 75% of their pay each pay period, up to the annual IRS dollar limit (\$17,000 for calendar year 2012). Partners age 50 and older are subject to a higher IRS annual limit (\$22,500 for calendar year 2012).

Starbucks Matching Contributions

When you save through the Future Roast 401(k) Savings Plan, Starbucks will match your contributions. The match will be contributed to the Plan along with each eligible partner's 401(k) contributions each pay period.

The match rate is fixed each calendar year at either the Basic Starbucks Match or the Enhanced Starbucks Match rate:

Basic Starbucks Match: 100% match on the first 4% of eligible pay that a participant contributes each pay period.

Enhanced Starbucks Match: 100% match on the first 6% of eligible pay that a participant contributes each pay period.

Each year in November, the Board of Directors will make a decision as to which match rate will apply for the next calendar year. The match rate will be communicated to eligible partners in advance of the calendar year in which it will be effective. To view the current calendar-year match rate, log on to mysbuxben.com and click on the Stock and Savings tab.

Vesting

Participants are immediately 100% vested in their entire account balance under the Future Roast 401(k). This includes all employer match (whether Basic or Enhanced), 401(k) and any rollover account balances.

Stock and Equity Reward Plans

Stock Investment Plan (S.I.P.)

Since 1995, S.I.P. has provided Starbucks partners opportunities to purchase company stock each quarter at a discounted price through regular payroll deductions. Eligible partners may contribute 1% to 10% of their base pay each pay period.

Eligibility

Partners become eligible after 90 days of employment. Partners may elect to contribute 1% to 10% of their base pay each pay period. When a partner reaches initial eligibility, a postcard reminder is mailed to the partner's home address.

Discounted Stock Purchase

After the end of each calendar quarter, each participant's contributions are used to buy Starbucks stock at a 5% discount. The 5% discount is applied to the fair market value of Starbucks stock on the last business day of the quarterly offering.

Bean Stock

Started in 1991, *Bean Stock* is an equity reward (Restricted Stock Units) that turned Starbucks employees into partners by providing the opportunity to share in the financial success of the company through Starbucks stock. Every year, Starbucks Board of Directors evaluates the company's performance, cost of the program and how many shares are available to grant to eligible partners. *Bean Stock* is an example of how Starbucks rewards you for the many contributions you make every day to Starbucks overall success.

Eligibility

Partners must be employed by Starbucks as of May 1 of the fiscal year preceding the grant date, and must have been paid for at least 360 hours during the fiscal year. Partners in a director position or above are not eligible for *Bean Stock*, but instead are eligible for equity awards under the Key Employee Stock Plan.
